

# PLUGS®

## REGIONAL SUMMIT

## Support the PLUGS® Regional Summit

Sponsored by ARUP Laboratories  
Hosted by UCLA Health, Dept. of Pathology

**November 6–7, 2023**  
**UCLA Luskin Center, Los Angeles, CA**

At the PLUGS® Regional Summit, your company will be able to gain insider access to lab industry players and trends, create long-term mutually beneficial relationships with clients, and help to improve the quality of care that patients receive nationally. In lieu of traditional exhibit halls, PLUGS Regional Summits provide substantial opportunity for networking with attendees at both the welcome reception and throughout the program.

### Summit Supporter

\$2,800

#### Includes:

- + Company name acknowledgment on printed marketing materials
- + Company name acknowledgement on web, email, and conference marketing materials
- + Full conference registration for up to **two (2) guests**

The PLUGS Regional Summit gathers a local and diverse group of stakeholders to learn practical tools for laboratory stewardship program development and insurance alignment that will apply to hospitals, health systems, reference labs, insurance payers, and patients.

As a Supporter, you can help shape local and national efforts to improve patient access to laboratory testing, development of rational insurance policies and fair reimbursement strategies, and help us to create standards for laboratory stewardship programs.

**16%** Genetic Counselors

**12%** Medical/Clinical Scientists

**48%** Management/Administration

**6%** Medical Directors

**15%** Business Sales

**3%** Others

*110 Attendees in Total in 2019*

## About PLUGS<sup>®</sup>

*Since 2013, PLUGS (Patient-centered Laboratory Utilization Guidance Services) has been a leader in the laboratory test stewardship industry*

As a non-profit, PLUGS provides comprehensive resources and customizable solutions that improve the value and coverage of laboratory testing for all stakeholders. Our membership network includes hospitals, health systems, laboratories, insurers, patient advocacy groups, health and biotechnology companies. PLUGS has a proven track record of improving access, ordering, retrieval, interpretation, and reimbursement of laboratory testing for members.
